

19 August 2010

**Dear AGP Official,**

Welcome to the first AGP Newscast for the 2011 FORMULA 1™ Australian Grand Prix. Planning for the 2011 event is already well underway, and in this Newscast you will find information on the AGP Officials Survey, 2011 AGP Officials' Registration Process and Service Medallions.

### **AGP Officials Survey**

CAMS and the Australian Grand Prix Corporation invite all previous AGP Officials to complete a short survey online that will help us ensure that the event is as safe and enjoyable as possible in the years to come. The survey enables you to have your say on a range of issues affecting volunteer officials at the AGP. We encourage all AGP Officials to take the survey and have your say on the event.

### **Registration Process for 2011 AGP**

Planning for the 2011 FORMULA 1™ Australian Grand Prix is already well underway.

So that we can update the data base, and implement new measures to ensure the registration and allocation process is as smooth as possible, the dates for volunteer officials' registration will be a little later than usual.

Registration will open in late September, and you will receive a letter or an email (if applicable) to let you know when this happens. Registration will again be via an online form, but a hard copy form will also be posted to all 2009 and 2010 officials where we do not have an email address, to ensure everyone has the opportunity to register within the timeframe. The registration form will also be available via the CAMS website. Registrations will close on Friday 26<sup>th</sup> November 2010. Lauren Croft will again be looking after this facet of the event administration and will be a point of contact for you in the CAMS office.

Throughout the year, we will keep you informed of news and information relating to the event and all newsletters and relevant documents will also be housed on the 2011 FORMULA 1™ Australian Grand Prix page of the CAMS website ([www.cams.com.au](http://www.cams.com.au)).

## 2010 Service Medallions

You may have noticed that Medallions for 5, 10 and 20 Years of Service at the AGP have not yet been distributed following the 2010 event. We apologise for the delay with the distribution of these medallions due to the updating of our database, and would like to assure you that these medallions will be processed prior to the end of this year.

## 2011 Event Date

The 2011 FORMULA 1™ Australian Grand Prix is to be held on 24-27 March 2011, subject to FIA approval. This date will be confirmed later in the year but we are reasonably confident of it at this time.

We look forward to another great Australian Grand Prix in 2011 and very much hope that you will again provide your expertise to assist with the presentation of this great event. The next AGP Newscast will follow in late September and will contain instructions for registering for the 2011 event.

If you have any queries please email [agpofficials@cams.com.au](mailto:agpofficials@cams.com.au) or phone CAMS on 1300 883 959.

Yours Sincerely
