

# CAMS AGP Newscast

---

Edition 6 – April 2011

Dear **AGP Official**,

The 2011 FORMULA 1™ Qantas Australian Grand Prix has been run and won, and we have had a couple of days to start recovering! This is a short newsletter to wrap up the 2011 event and your thank you letter will follow in the mail.

## Thank You!

On behalf of the Confederation of Australian Motor Sport Ltd (CAMS) and the Australian Grand Prix Organising Committee (AGPOC) I would like to thank you for all of your efforts in making the 2011 FORMULA 1™ QANTAS Australian Grand Prix another outstanding success.

The commitment and work ethic displayed by you all is the reason behind the continued success of the event and the reason why Australia is one of the favourite destinations for all FORMULA 1™ teams and drivers.

## Officials Survey

Ernst and Young are conducting a short survey of CAMS Volunteer Officials on behalf of Tourism Victoria, to assess the economic impact of the 2011 FORMULA 1™ Qantas Australian Grand Prix. This is a significant study to measure the economic benefit of having the AGP in Victoria. Please take two minutes to complete this short but important survey!

## **AGP Gazette Team**

We must also mention the team that put together our daily newsletter, the AGP Gazette. This year the Gazette reached new heights of interest and we thank Gazette Editor Richard McLean and the staff, particularly Lynne Huntting from the USA, who has been a driving force with this for many years now. The photo show at Sunday night's party also came from the Gazette Team and we thank them for that as well. We will update the CAMS website with photos and copies of the Gazette soon, so keep an eye out for that.

## **KERS Gloves**

If you were a trackside marshal at the AGP you may have been issued with a pair of KERS gloves. The gloves are to be used at another Grand Prix later in the year and it is important for the next group of marshals to use them that they are not damaged and are **returned to CAMS** following the AGP.

If you have gone home from AGP and realised that you have accidentally taken the gloves with you, it would be much appreciated if you could return them to:

Andrew Fisher  
PO Box 147  
Caulfield East  
VIC 3145

Or, if you are local, drop them into Andrew at the CAMS office at 851 Dandenong Road, Malvern East.

## **2011 Feedback**

Keep an eye out for another online AGP Officials Survey in the next few weeks regarding the 2011 event. We aim to capture as much feedback as possible and build these into our debrief so we can expand on what worked well and act on areas for improvement in future years.

In the meantime, any general feedback can be sent to [agpofficials@cams.com.au](mailto:agpofficials@cams.com.au) or posted to:

AGP Officials Coordinator  
PO Box 147  
Caulfield East  
VIC 3145

Thank you once again and we look forward to doing it all again in 2012!

Yours faithfully,

**Michael Smith**
