Declaration by Vehicle Owner

I understand and acknowledge that no safety structure can provide protection in all circumstances and that there are foreseeable events that may result in death or serious injury to the occupant. I further understand and acknowledge that the fitment of the safety structure in my vehicle may be compromised as a result of the historic nature of my vehicle, and is not necessarily in compliance with that prescribed for contemporary vehicles

Name of owner: _____

Signature: _____

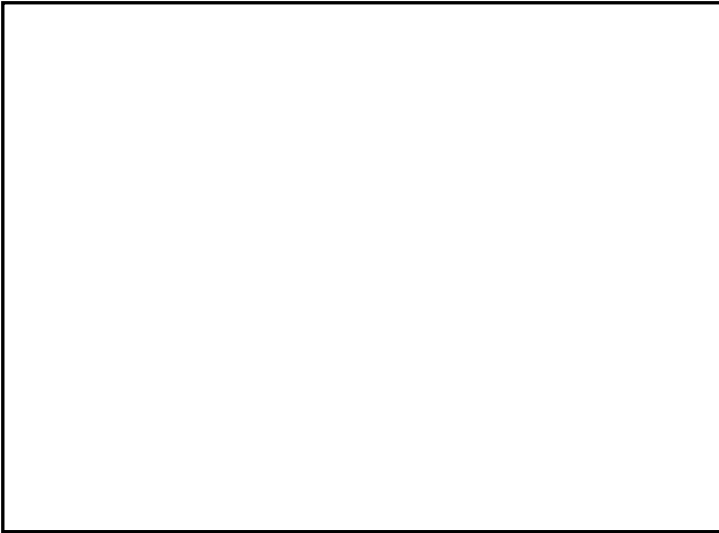

Date: / /

The issue of this document signifies that the Safety Roll Bar Structure fitted to the vehicle as described has been accepted by CAMS as being in compliance with the guidelines for Safety Cages fitted to Historic Cars as issued by the CAMS Historic Commission.

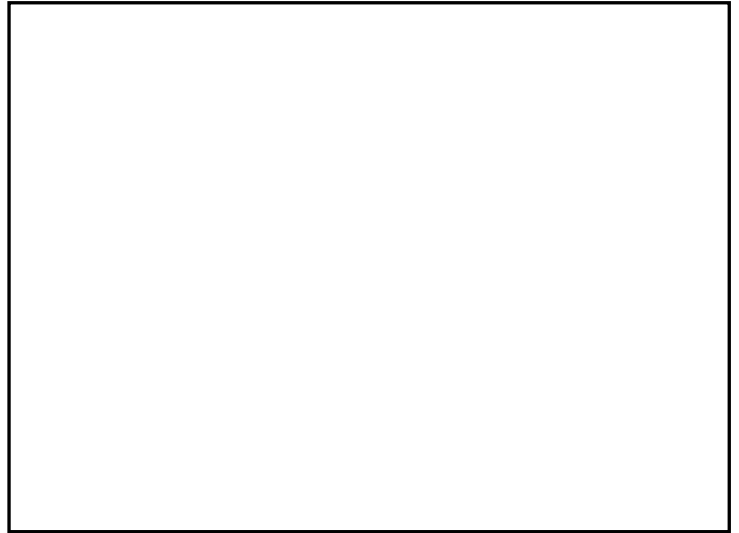

Logbook No: _____ Safety Cage Serial Number: _____
