### **RATIONALE:**

To clarify Australian Rally Championship signage requirements

### **ACTION:**

*Amend: 2011 Australian Rally Championship Sporting and Technical Regulations, Appendix A, Area D – Bonnet Strip*

### **AREA D – BONNET STRIP**

- Strip along leading edge of the bonnet, reserved for the series sponsor.
- Size: 120mm high x 800mm wide.
- A standard sign will be provided which will be either a light colour (for vehicles with a dark background) or a dark colour (for vehicles with a light background).
- Subject to ARCom approval, competitors may utilise a contrasting, yet complimentary colour scheme to display the series sponsor name in this area. **Elite competitors may replace this area with the signage on a 200mm high front windscreen strip. Applications to vary the signage should be sent to [admin@rally.com.au](mailto:admin@rally.com.au)**
