TARMAC RALLY TECHNICAL REGULATIONS - CLASSIC

REFERENCE:

http://www.camsmanual.com.au/04_rally_road.asp

RATIONALE:

Allow freedom to instrument binnacle for Classic Tarmac Rally cars in C3 Class.

ACTION:

Amend: Tarmac Rally Technical Regulations, Group 3C, Article 8.1(i) Interior.

GROUP C3

8. Interior

8.1 (i) Except for the door trim (which shall comply with the **Article** 8.1(ii)) and dashboard, and **the** instrument binnacle, interior and fitments are free. Any remaining trim should be of period style. The use of an electronic dashboard (eg, Motec, Pi Research) is **allowed**. ~~prohibited, unless solely used as a switch or data logger, in which case it shall be mounted in the centre console or out of sight.~~

END
